COVID-19: Important Update

Brady Australia is committed to following guidelines issued by the Australian Government Department of Health in relation to COVID-19.

The health and wellbeing of our employees, community and customers are at the forefront and we have taken the necessary steps as per the advice of the government and health authorities.

In line with the current government restrictions, customer pick-up at our Sydney office is temporarily unavailable to help prevent the spread of COVID-19.

Our team is working tirelessly to ensure supply to our customers. We are currently experiencing delays on certain product lines and are doing everything in our capacity to provide prompt service and delivery.

We are committed to remaining agile and flexible as we navigate this pandemic in addition to meeting your ongoing needs.

We thank you for your ongoing support.

Kindest Regards,

Gerry Menna
Sales Director
