

Long-lasting, durable labels for tough environments

M61-series outdoor label materials

Brady offers premium solutions for outdoor labelling applications with proven outdoor durability, some in excess of 12 years. Applications for outdoor materials include nameplate identification, asset tracking and general-purpose labelling on surfaces that are constantly exposed to outdoor conditions.

Indoor / Outdoor Vinyl Labels (B-595)

This durable, low-shrink vinyl with ultra-aggressive adhesive is ideal for labelling pipes, equipment and nearly any other industrial surface.

- Highly pliable material with high-tack permanent adhesive for rough, highly textured, dirty and harsh environment surfaces – including outdoors
- Conforms and adheres to "difficult" surfaces like painted cinder blocks, painted wood, textured plastic, paper-jacketed pipes and blow-molded cases
- Resistant to exposure to chemicals, greases and oils, salt spray, cleaners and detergents and general industrial grime
