

THE MOST DURABLE FLOOR MARKING TAPE

TOUGHSTRIPE[®]
Floor Marking

www.bradyaust.com.au/toughstripe

USE TOUGHSTRIPE® FLOOR MARKING PRODUCTS TO MARK:

- Aisleways and traffic lanes
- Work Cell outlines
- Equipment storage areas
- Material storage areas
- QA inspection areas
- Defects/scrap/rework areas
- "Keep clear" zones
- Hazard areas

SUPERIOR DURABILITY

Spend less time replacing damaged or worn lines for a better-looking, more efficient facility.

- Withstands forklift traffic without tearing or lifting
- Low-profile design minimises tears and scratches from skids, pallet jacks, etc.
- Rugged polyester with ultra-aggressive adhesive

EASY APPLICATION

Quickly lay down smooth, straight lines – without the help of co-workers.

- Can be easily applied by one person working alone
- Stiff polyester with liner prevents tape stretching and reduces wrinkles and wavy, uneven lines
- No special floor preparation required – just clean with common cleansers

* For maximum performance, apply ToughStripe® Floor Marking products to flat, non-coated concrete.

HIGH VISIBILITY

Get the same visibility of painted floor markings – and pay less.

- High-gloss surface shines like new paint
- Low profile minimises debris build-up along the edges that occurs with thicker (extruded) floor tapes
- Surface resists marks and smudges
- Available in a variety of high-impact colours

DIECUT SHAPES

Utilise different shapes, colours and sizes for more effective, durable floor markings.

- Dashes, dots, arrows, footprints, and corner marks (L, T and + shapes)
- Longer lasting markings – minimises the risk of damage and facilitates fast repair

PRE-SPACED SHAPES

Expedite installation and repair time.

- Dots, arrows and dashes packaged in rolls (not individually) and evenly spaced 455mm apart on a continuous liner
- Quick and easy one person installation; simply lay down the line like a continuous tape, and then remove the clear transfer tape from on top of the floor markings
- Eliminates the need to apply markings one by one
- Quickly lay straight, evenly spaced shapes
- Ideal for high traffic areas – if damaged only replace damaged shapes

PAINLESS REMOVAL

Easily remove floor markings without damaging the floor or leaving adhesive residue.

- Does not chip and flake when being removed – comes off in one piece
- Clean removal without any unsightly adhesive residue or damage to the floor

B-514 FLOOR MARKING POLYESTER

ToughStripe® floor marking products are made with Brady's new B-514 polyester. ToughStripe® products are ideal for marking aisles, passageways and storage locations, and pointing out important safety equipment and egress paths.

- 2mm thickness
- Service temperature range of -17°C to 53°C
- Resists harsh chemicals
