BRADYJET J5000 COLOUR LABEL PRINTER

Positioning

101.6mm PC-connect only printer for SFID, GHS, and also die cut Wire ID and Product ID labels. Printer is networkable. Does not offer user stand-alone use but does have extra label types.

101.6mm Stand-alone and PC-connect printer for SFID. Stand-alone use is ideal for Multiuser situations and Lean 5S Kaizen labelling "events". The ultimate in "easy & accessible".

101.6mm Stand-alone and PC-connect printer for SFID with multicolour printing and fastest print speed. Stand-alone use is ideal for Multiuser situations and Lean 5S Kaizen labeling "events". The ultimate in "easy & accessible" with multi-colours.

101.6mm Stand-alone and PC-connect printer for SFID with multicolour printing, cut-out shapes and fastest print speed. Stand-alone use is ideal for Multiuser situations and Lean 5S Kaizen labelling "events". The ultimate in "easy & accessible" with multi colours and ability to cut out shapes and multiple labels from a 101.6mm supply.

254mm Stand-alone and PC-connect printer for SFID with multicolour printing. Particularly popular for any LARGE labelling needs. Ideal for large signs, large GHS labels and large equipment placards. The ultimate in "easy & accessible" with multi colours for larger output

203.2mm PC-connect printer with high-resolution, high-speed colour label printing. Ideal for creating full-colour labels with images, logos, illustrations, barcodes and more. The ultimate in high-resolution printing in all colours.

Printer Overview

6.35mm - 101.6mm wide output
101.6mm/sec print speed PC-connect printing only Monocolour printing (1 print colour on a label)

6.35 - 101.6mm wide output
76.2mm/sec print speed Stand-alone and PC-connect printing Monocolour printing (1 print colour on a label)

6.35mm - 101.6mm wide output
127mm/sec print speed Stand-alone and PC-connect printing Monocolour + Multi-colour printing

6.35mm - 101.6mm wide output
127mm/sec print speed Stand-alone and PC-connect printing Monocolour + Multi-colour printing X-Y plotter cutter (cuts out text & shapes)

101.6mm - 254mm wide output
127mm/sec print speed Stand-alone and PC-connect printing Monocolour + Multi-colour printing

50.8mm-203.2mm wide output
Up to 152.4mm/sec print speed PC-connect printing only Full-colour printing

20-second material changeovers
Set-up: No calibration, no sensor adjust, no label waste (prints on 1st label)

20-second material changeovers
Set-up: No calibration, no sensor adjust, no label waste Ultra easy user interface - just walk up & print!
